

The LTHT- MacMillan Cancer Support Information Project

NHS

The Leeds
Teaching Hospitals
NHS Trust

Are you currently living with cancer
or have you had cancer in the past?

Do you know or have you cared
for someone with cancer?

Did you know what cancer support
information was / is available in
Leeds?

We would appreciate
your feedback and opinions in
order to improve the provision
of information regarding cancer
support in Leeds.

Please complete our questionnaire available
from 24/05/2024.

Questionnaire available
online or on paper from your
community support group.

For further information, or for
alternative languages
and formats, you can
speak to Bheki on
